VISION

A Society in which all children, without any distinction of caste, creed, or gender, enjoy their rights and are empowered through education to develop to their full potential, embracing values and learning to live together with faith in the human race.

MISSION

The mission of the India Sponsorship Committee is to provide children in need, the support required by them for an education that offers them opportunities that develop their full potential. Further, it seeks to create opportunities for children to become responsible, contributing members of society by helping them meet their family, social, emotional, physical, and spiritual needs.

VALUES

At the India Sponsorship Committee, we are committed to creating a workplace guided by our core values: Inclusivity, empowerment, respect, integrity, compassion, faith in Humanity, resilience, and Collaboration.

Dear Friends,

Nearly six decades ago, the India Sponsorship Committee was founded on a simple yet enduring belief—that no child's future should ever be determined by the circumstances of their birth. That belief continues to inspire every decision we make.

This year's theme, "Beyond Care – Building Humans for Life," captures the evolution of our journey. We have moved beyond providing protection and education to nurturing confident individuals with character, resilience, compassion, values, and the ability to shape their own futures. Whether through Antar Bharati Balgram, Antar Bharati Balgram School, Aakar, Saksham, or Sarathi, every programme is part of one connected journey—from vulnerability to opportunity, from dependence to dignity.

As the world changes rapidly, so must we. We are strengthening governance, embracing technology, using evidence to guide decisions, and building partnerships rooted in trust, accountability, and shared purpose. Innovation is important, but only when it strengthens our ability to serve people better.

The true measure of our work is not the number of programmes we run, but the number of lives that leave us stronger, wiser, kinder, and prepared for life.

To our trustees, partners, donors, volunteers, staff, alumni, and well-wishers, thank you for believing in this vision. Together, we are creating far more than success stories—we are building generations of compassionate, responsible, and confident human beings.

Shailesh Dalmia
President
India Sponsorship Committee

Dear Friends,

A vision becomes meaningful only when it transforms everyday lives. Across every classroom, Balgram home, community centre, and training workshop, we witness that transformation unfolding—one child finding confidence, one young person discovering purpose, one woman achieving financial independence, and one family beginning to dream again.

At ISC, we believe that care is only the beginning. Building Humans for Life means creating environments where children are safe enough to dream, educated enough to aspire, resilient enough to overcome adversity, and empowered enough to lead meaningful lives. It also means enabling women to become entrepreneurs, supporting migrant families through education, and ensuring that every individual we serve can participate with dignity in society.

Our greatest strength continues to be our people—the caregivers, teachers, social workers, mentors, volunteers, and partners whose compassion transforms information into lasting impact.

This Annual Report is therefore not simply a record of activities. It is a reflection of lives changed, opportunities created, and futures reimaged through collective effort.

As we look ahead, we remain committed to learning, innovating, and raising the bar for ourselves—not because change demands it, but because every child and every family that places its trust in ISC deserves nothing less.

Together, we will continue to move beyond care, building confident minds, compassionate hearts, capable hands, and responsible citizens—for life.

ISC unveils the Prof. Harsha Parekh Library & Digital Learning Centre, inaugurated by Padma Bhushan Shri Deepak Parekh. Designed on NEP 2020 principles, A 5-zone learning hub: Foundation & Preparatory, Literature, Science & Inquiry, and Career & Competitive Readiness, to nurture young readers, thinkers, and future leaders.

Cherished Connections

A long-standing patron of ISC, Mr. Bhagwan Daswani believed deeply in the vision of our Founder, Dr. Zulie Nakhooda. Today, his daughter, Ms. Devka Daswani, proudly carries this legacy forward by supporting Antar Bharati Balgram School and inspiring our children through her annual visits from the USA. We are deeply grateful to the Daswani family for their enduring partnership in Building Humans for Life.

BEYOND CARE. BUILDING HUMANS FOR LIFE.

For every child who enters Antar Bharati Balgram, our commitment extends beyond meeting today's needs. We invest in character, education, emotional well-being, life skills, and aspirations—equipping each child not merely to survive, but to thrive, contribute, and lead with purpose. Because lasting impact is measured not by the care we provide today, but by the lives our children build tomorrow.

They deserve a future.

Every Child CAN SHINE

Amar entered the classroom with boundless energy and curiosity, finding it difficult to stay focused. Through art-based activities, sensory games, counselling support, and interactive learning programmes such as Number Ninja, Speaking Circle, and Digi World Phonics, he gradually developed concentration, literacy, and numeracy skills. Fine motor activities also improved his writing and pencil grip. Today, Amar is a confident learner, reflecting how patience, personalised support, and the right learning environment can help every child thrive.

Amar Singh (Name Changed)

Aadhar Kamble (Name Changed)

From
SELF-DOUBT ✨
to **SUCCESS** ✨

Aadhar Kamble began as a quiet Class 4 student, scoring 62% and struggling with reading, confidence, and classroom participation. With the unwavering support of his Principal and teachers, he gradually developed better learning habits, gained confidence, and discovered his potential. By Class 6, Aadhar had transformed into a confident learner and active sports participant, securing 2nd rank with 75%. His journey proves that no child is ordinary—every child can succeed with encouragement, perseverance, and the courage to keep trying. Aadhar's story reminds us that great success often begins with the smallest steps.

BREAKING THE CYCLE OF POVERTY. BUILDING HUMANS FOR LIFE.

**BOOKS NOT BRICKS!
LEARNING NOT LABOUR!**

Migrant families working in brick kilns live on the margins, facing deep socio-economic challenges that often deprive children of their rights, education, health, and a safe childhood. Child labour, malnutrition, substance abuse, unsafe living conditions, gender inequality, and limited livelihood opportunities trap generations in a cycle of poverty.

Through Aakar, we work to break this cycle by ensuring children access education, protection, and holistic development, while empowering women and adolescents with skills, confidence, and opportunities for sustainable livelihoods. Beyond immediate needs, Aakar builds resilience, dignity, and brighter futures—Building Humans for Life.

A Journey of Courage, Support & Growth

Padmavati (19) from the Banjara community migrated with her family to a brick kiln from Parbhani. Due to poverty and social norms, she was deprived of education and faced the risk of early marriage.

Through ISC's continuous counselling and educational support, Padmavati and her siblings were enrolled in school and encouraged to continue their studies. Despite social pressure to discontinue her education after Grade 12, ISC's intervention helped her pursue higher education. Today, Padmavati is pursuing F.Y.B.A., has completed the MH-CET course, and is training at a Police Recruitment Academy with ISC's support.

*Education gave her strength.
Support gave her wings. Now,
she is chasing her dreams!*

Ganesh Gopal Biradar migrated with his family to the brick kilns in Man after the loss of his father, leaving his mother as the family's sole breadwinner. He joined the Aakar Programme while studying in Grade 2 and was later mainstreamed into formal education with ISC's support. Initially shy and lacking confidence, Ganesh gradually grew into a hardworking and determined student through continuous guidance and encouragement. He successfully completed Grade 10, and with an educational scholarship facilitated by ISC, is now continuing his higher secondary (Grade 12) education—demonstrating how timely support can transform a child's future.

*With the right support
and opportunities, every
child can build a
brighter future.*

CREATING LIVELIHOODS. BUILDING HUMANS FOR LIFE.

The ISC Saksham Initiative empowers women with market-relevant skills, entrepreneurship, and sustainable livelihood opportunities that foster financial independence and self-reliance. Through vocational training, enterprise development, and strong community networks, women gain the confidence to lead, earn, and create lasting change.

Beyond economic empowerment, Saksham strengthens families, uplifts communities, and helps break the cycle of poverty—Building Humans for Life.

FARZANA CHAUDHARY
Jagruti Self-Help Group Member
Saksham Programme

"When women are equipped with skills and opportunities, they don't just earn an income—they inspire change for their families and communities."

Farzana Chaudhary – A Journey of Skill & Self-Reliance

Farzana Chaudhary (39), from Laxminagar, joined the ISC Saksham Programme in June 2025 with a passion for stitching. Through Saksham's Skill Development Training, she mastered sample stitching, product development, quality control, production planning, and portal management. Her dedication led her to complete the highest number of Runuk Jhunuk (an apparel brand) orders (Oct–Dec), earning ₹16,000—the highest income during that period.

Today, she earns around ₹6,000 per month, contributes to her family's income, manages portal & production activities, and mentors newly joined women, inspiring them towards financial independence.

Dhammadina Shyam Bagade – From Tailor to Trainer

Dhammadina Shyam Bagade (40), from Balaji Nagar, Yerwada, Pune, joined the Saksham Programme in November 2023 to upgrade her tailoring skills.

Through Saksham, she learned to make designer blouses, purses, pouches, and bags, along with costing, pricing, raw material management, and advanced pouch-making.

Today, she earns ₹3,000–₹5,000 per month, supporting her children's education and household expenses. A proud milestone was setting up her own stall at the Saksham Women's Day Programme. She now trains other women in purse and pouch making, helping them become financially independent.

Opinion

We have audited the financial statements of India Sponsorship Committee (the TRUST), which comprise the Balance sheet as at March 31, 2026, and the Income and Expenditure Account for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the entity as at March 31, 2026, and of its financial performance for the year then ended in accordance with generally accepted accounting principles accepted in India.

Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a

Basis For Our Opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with the Act and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
